### *"Reviews From Our Clients" . . .*

"You provided us with a great service at a difficult time. I do not know how I could have done it without you.."  
Bill (Husband) – San Diego

"I would like to extend my appreciation and gratitude to the At Home Care agency and your staff members. Because of your professionalism, leadership and dedication, combined with team work and energy from your employees, my father's last days were peaceful and where he wanted to be, in his home, with his family."  
David (Son) Los Angeles

"What an incredible team! I really mean that. I had the opportunity to meet and talk with all of the caregivers and I was impressed with the care my mother received in a difficult situation with such short notice. I became instantly fond of each and every one and am so grateful... Everyone seemed to care for her like they had known her for years. Thank you, thank you, thank you."  
Karen (Daughter) – Del Mar

"We treat our clients like Royalty"

## A Foundation of Trust

Lauren Reynolds founded At Home Nursing Care after her own mother's struggle to stay safe and comfortable while battling terminal cancer. While Lauren's mother passed away at age 58, in home care allowed her to spend her final days at home enjoying her pets and her rose garden. The experience prompted Lauren to retire from a 17 year career as an award winning investigative journalist for ABC 10 News to launch an agency dedicated to

enhancing the lives of those we serve. "We made sure my mother's last wishes were honored; we welcome the chance to do the same for you or someone you love."

"My family and I want to express our deep gratitude for the excellent care you provided for my father. You went way beyond expectations... there is no way there is a better agency out there." Dale F.
